LESSONS

Tuition is available to anyone aged 17 and over, who has a provisional car driving licence. All learners must be able to read a number plate at a distance of 20.5 metres, with glasses if normally worn. Your driving licence and your eyesight will both need to be checked at the start of your first lesson.

Unless otherwise arranged, your driving lessons will be on a one to one basis. You will always receive the full lesson time you have paid for. I will be happy to start and finish your lesson from different locations, providing these are agreed at least one week in advance, and that both are within the usual area of my work.

CANCELLATIONS

You must give a minimum of 48 hours notice to cancel any driving lesson. If less than 48 hours notice is given, the full lesson fee must be paid.

MEDICAL CONDITIONS

Be fit to drive

Please ensure that you are fit to drive, you must not be under the influence of drugs/alcohol during the lesson. In the event of there being any signs of drugs/alcohol misuse, I will cancel the lesson/test and you will be charged in full. You should present yourself in suitable clothing, particularly practical footwear. It is also important to attend lessons with any appropriate glasses or contact lenses for reasons of road safety. If I think you are unfit to drive for failing to meet any of these conditions, the lesson will be cancelled at your expense.

I reserve the right to increase prices as I see fit. Block bookings must be paid for in full on the first lesson of that block.

PRACTICAL DRIVING TEST

I will make every effort to help you reach a good standard of driving that will enable you to pass your driving test, and you must try to maintain regular lessons leading up to your test otherwise your test date might have to be moved back to give you more time to prepare. The only way to pass the driving test is to be properly prepared. In the interest of road safety I reserve the right to withdraw the use of my car for tests without prior notice, should you prove to be unsafe and not up to test standard.

PUNCTUALITY
